

Letago Medical Zone

We Rejuvenate Your Health

Letago Medical Zone Company Background

Letago Medical Zone is a black owned medical firm founded by Manyelo Mojalefa in 2022. As the founder and owner, he holds a nursing qualification and has over 13 years private nursing experience and has worked with different groups of competent members of the multidisciplinary health team.

Letago Medical Zone operates in all areas within Polokwane and can cater for both private and public sectors. We also offer services at the comfort of your own home for your convenience.

It all started with a passion of helping those in need and escalated to the need of wanting to reach masses.
